

## INTELLECTUAL PROPERTY AGREEMENT

This AGREEMENT (“Agreement”), effective as of the date on which the last Party hereto signs this Agreement (“Effective Date”), is entered into by and between the Board of Regents of the University of Oklahoma, a constitutional state entity of the State of Oklahoma, by and through the Office of Technology Development having offices at 301 David L. Boren Boulevard, Suite 3120, Norman, Oklahoma, 73019 (“UNIVERSITY”) and [insert name of collaborator] (“COLLABORATOR”), having a principal place of business at [insert COLLABORATOR address]. COLLABORATOR and UNIVERSITY may hereinafter be referred to herein in the singular as “Party” or collectively as the “Parties.”

This Agreement defines the rights of use, reproduction, distribution, modification and redistribution of certain technology originally created as part of the Artificial Intelligence for Environmental Sciences (AI2ES) program under National Science Foundation proposal number 2019758 (“Program”). Anyone who uses, reproduces, distributes, modifies or redistributes the subject technology, by that action, is accepting in full the responsibilities and obligations contained in this Agreement.

*WHEREAS* COLLABORATOR(S) and UNIVERSITY each have interest in cooperating individually and with other collaborators in the development of Artificial Intelligence for Environmental Sciences (AI2ES).

*NOW THEREFORE*, in consideration of the mutual promises and obligations contained herein, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. “INVENTION” shall mean any invention, discovery, improvement, concept, product, or idea made during the Program whether or not patentable or copyrightable, including but not limited to processes, machines, methods, computer software, formulas, and know-how directly relating thereto. An INVENTION is “made during the Program” if it arises from work performed pursuant to the Program, conducted under this Agreement by a person assigned to the Program and is made during the PERIOD OF PERFORMANCE.
2. As long as inventor(s) of an INVENTION is/are employed by UNIVERSITY in any capacity, it shall be conclusively presumed that such INVENTION conceived of entirely by such INVENTOR(s) was made in his/her capacity as an employee(s) of UNIVERSITY and shall be promptly disclosed to and exclusively owned by UNIVERSITY regardless of the circumstances surrounding the conception and/or reduction to practice. As long as inventor(s) of an INVENTION is/are employed by COLLABORATOR and not UNIVERSITY, it shall be conclusively presumed that such INVENTION conceived of entirely by such INVENTOR(s) was made in his/her capacity as an employee(s) of COLLABORATOR and shall be promptly disclosed to and exclusively owned by COLLABORATOR regardless of the circumstances surrounding the conception and/or reduction to practice. In the event the inventors of an INVENTION are employed by UNIVERSITY and by COLLABORATOR, such INVENTION will be considered a JOINT INVENTION.
3. COLLABORATOR and UNIVERSITY agree that any computer software and its related documentation and/or databases (“Software”) resulting from the Program shall be dedicated to the public domain by waiving all rights to the Software worldwide under copyright law through the Creative Commons Zero 1.0 Universal Public Domain Declaration.
4. The PERIOD OF PERFORMANCE shall commence September 1, 2020, and expire when August 31, 2025.

5. Notwithstanding anything in this Agreement to the contrary, any and all knowledge, know-how, practices, processes, or other information (“CONFIDENTIAL INFORMATION”) disclosed or submitted in writing or in other tangible form hereunder which is marked “Confidential Information” to either Party by the other shall be submitted to the designated representative identified in **Section 20** and maintained by the receiving Party in strict confidence and shall not be disclosed to any third party. Furthermore, neither Party shall use CONFIDENTIAL INFORMATION for any purpose other than those purposes specified in this Agreement. The Parties may disclose CONFIDENTIAL INFORMATION to employees requiring access for accomplishing the purposes of this Agreement; provided, however, that prior to making any such disclosures, the employee(s) shall be apprised of the duty to maintain CONFIDENTIAL INFORMATION in confidence and not to use such information for any purpose other than in accordance with the terms and conditions of this Agreement.

6. Nothing contained herein will, in any way restrict or impair a Party’s right to use, disclose, or otherwise deal with any CONFIDENTIAL INFORMATION which at the time of its receipt:

- (a) Is generally available to the public, or thereafter becomes available to the public through no act of the receiving Party; or
- (b) Is documented to be independently known prior to receipt thereof, or is made available to the receiving Party as a matter of lawful right by a third party; or
- (c) The receiving Party can demonstrate by means of written records to have been independently developed by the receiving Party without the aid, application or use of the other’s CONFIDENTIAL INFORMATION by receiving Party’s employees, advisors, and consultants who have not had access to the other’s CONFIDENTIAL INFORMATION; or
- (d) Is required by applicable law(s), federal or state regulation(s), or valid court order to be released; provided, however, that prior to any such release, the disclosing Party will be notified so that it may take protective measures if it deems necessary.

7. The above obligations for CONFIDENTIAL INFORMATION shall be in effect during the PERIOD OF PERFORMANCE and for a period of three (3) years from the expiration of the PERIOD OF PERFORMANCE.

8. Either Party may terminate this Agreement at any time during the PERIOD OF PERFORMANCE by giving not less than twenty (20) days prior written notice to the other Party. Either Party shall give notice of termination of this Agreement by sending written notice in accordance with **Section 20**. Such termination shall be considered effective twenty (20) days after date of mailing of the notice. Termination of this Agreement by either Party for any reason shall not affect the rights and obligations of the Parties accrued prior to the effective date of termination of this Agreement. An automatic termination of this Agreement shall occur upon the execution of a license agreement. The rights and duties of **Sections 9 and 22** of this Agreement shall survive termination of this Agreement for any reason.

9. Neither shall be bound by the acts or conduct of the other.

17.
